

**T. HARING  
CONCIERGERIE  
& LIFESTYLE**

*Effortlessly Managed*

Thank you for taking the time to consider T. Haring Concierge & Lifestyle as your trusted partner for talent relocation and lifestyle management.

I am personally committed to ensuring every detail is handled with the utmost care and discretion, so your talent can focus on what they do best—creating exceptional work.

I look forward to supporting your productions in London.

— Thomas Haring, Founder

Five-star relocation, lifestyle management, and personal concierge services throughout London, the wider UK, and bespoke global destinations.

## Luxury Accommodation & Relocation

We curate a **portfolio of prime London homes** across Mayfair, Chelsea, Knightsbridge, Belgravia, South Kensington, Marylebone, Soho, Fitzrovia, Notting Hill, Kensington and surrounding neighbourhoods. Alongside on-market options, we provide discreet access to **off-market and premium listings** through a trusted network of prime agents. Each booking begins with a **considered, yacht-style preference call**, designed to clearly establish requirements, timelines and non-negotiables. From there, we present

a **tailored shortlist**, available to view via private video walkthroughs or in person, ensuring clarity and efficiency at every stage. A seamless, **key-to-key service** supports talent from arrival to departure. Stays typically begin at a minimum of 14 days, with flexibility where appropriate, and can be enhanced with **bespoke amenities** arranged in advance. Every property is introduced through a detailed, room-by-room walkthrough, offering transparency, confidence and a truly effortless experience for all parties involved.

## Personal Concierge

A **dedicated personal concierge** is available Monday to Sunday, from 9am to 9pm, providing consistent, reliable support throughout each booking. Outside of these hours, **emergency assistance** is available with a **guaranteed 15-minute response time**.

We manage **security arrangements**, private terminal arrivals, and all aspects of **private transportation**, including luxury vehicles, helicopter transfers and private aviation.

**Restaurant reservations** and access are handled discreetly, alongside **wellness and spa bookings** that work around production schedules.

Additional support includes **personal shopping** and gifting, production and **press coordination**, and **full glam setup management**. Every request is handled with precision, discretion and an understanding of the demands placed on talent and their teams — ensuring a seamless experience from arrival to departure.

## Lifestyle Management

Our Lifestyle Management services ensure every aspect of a client's stay in London is expertly organised. From **private chef services** and **daily housekeeping** to **pantry stocking**, **laundry**, and **dry cleaning**, we manage every detail so talent can focus entirely on their work, knowing each requirement is handled with precision and discretion.

We **coordinate and vet all staff**, oversee **event planning and execution**, and provide thoughtful touches such as fresh floral replenishment. **Family logistics** and **childcare** are arranged discreetly and efficiently, ensuring a seamless, fully tailored experience throughout each stay.

## Why Work With Us

With over **20 years of experience** in luxury hospitality, we bring deep industry knowledge and a proven track record in entertainment relocations. Our **premium, fully vetted supplier network** is made up of top-tier vendors personally selected for their exceptional quality and reliability. **Complete discretion and security** are guaranteed, with all staff undergoing rigorous vetting, DBS checks, and NDA compliance.
